The President's Message

March 29, 2002

Dear Club Members:

As we settle into the beautiful spring season a warmer time is not far from my mind. Summer will be upon us before we know it along with our annual summer party which is already taking shape.

This year we will have the opportunity to meet the ASSA board members who will be in town and enjoy the cooking of some truly wonderful cooks, all of whom also happen to be USSA club members! The party will be held at Caren and Ernie's house and the theme of the party is Western. We have already purchased fabric to make blue and red bandanas and table clothes.

The ASSA board members will need help with transportation during their three day visit and I am hoping that smiling USSA members with clean cars will help out in this capacity. Mainly it will involved transporting people to and from the airport.

I am looking forward to a fun season as we continue to strengthen the club and greet the ASSA members. Please let me know as soon as possible if you will be able to help out with transportation.

Sincerely,

AvaJane Pickering, Ph.D.

Just a reminder that the Salt Lake Doberman Pinscher Club is sponsoring an agility seminar April 20 & 21, 2002 at Legacy Farms, Bluffdale. All working spots are full, but we still have plenty of room for auditors. Craig is a high energy enthusiastic and motivational trainer. He has three MACH Dobermans and all three are in the Top 20 Agility Dobermans in the country. This seminar is for all breeds, but should be especially helpful to those of us with large breeds. The seminar is for beginners (Saturday) and advanced (Sunday) exhibitors, as well as those just interested in learning about the sport of agility. Cost to audit is \$30 per day or \$50 for both days. For more information, please contact Marsha: 801-582-3226, or legacy@attglobal.net

DOG PET PEEVES ABOUT HUMANS

1. When you run away in the middle of a perfectly good leg humping.
2. Blaming your farts on me... not funny.
3. Yelling at me for barking... I'M A FRIGGIN' DOG YOU ID-IOT!!
4. How you naively believe that the stupid cat isn't all over everything while you're gone. (Have you noticed that your toothbrush tastes a little like cat?)
5. Taking me for a walk, then not letting me check stuff out. Exactly whose walk is this anyway?
6. Any trick that involves balancing food on my nose... stop it.
7. Yelling at me for rubbing my ass on your carpet. Why'd you buy carpet?
8. Getting upset when I sniff the crotches of your guests. Sorry but I haven't quite mastered that handshake thing yet.
9. How you act disgusted when I lick myself. Look, we both know the truth, you're just jealous.
10. Dog sweaters. Have you noticed my fur?
11. Any haircut that involves bows or ribbons. Now you know why we chew your stuff up when you're not home.
12. When you insist on picking up the piles in the yard. Do you realize how far behind schedule that puts me?
13. Taking me to the vet for "the big snip", then acting surprised when I freak out every time we go back.
14. The sleight of hand, fake fetch throw. You fooled a dog! What a proud moment for the top of the food chain.

USED BOOKS NEEDED FOR RESCUE. Please bring or send your used books - all kinds to SEPS, so they can be resold to support Rescue. We need your support!!! Thanks in advance for bringing books - and for buying some other ones at our sale table at SEPS.

RAFFLE ITEMS NEEDED FOR 17 MAY SPECIALTY FUND RAISER. Please contact businesses/friends and collect items to be raffled at our huge Raffle to be held at our Specialty on the 17th of May. Please bring to Club or give to any Board Member. THANKS !!!

Valerie Becker with Glover Nursery was our guest speaker. She spoke on Pets and Lawn. It was very informative and helpful to all of us.

Valerie Becker with Glover Nursery was our guest speaker and was very helpful. She covered the different types of grasses and how to take care of them . She also went over the types of soil we have and which grasses do best with our soils and the different ways to fertilize and keep them healthy. Proper watering is very important and she covered this as many over water their lawns.

We appreciate her coming out and giving us help in keeping our lawns green and healthy.
Thanks very much Valerie.

Hi,

Coby, Snoop, Barbara and Jim want to thank the generous members of USSA for their support.

(Check out the attached photo for a cute peek at Coby and Snoop.)

Thanks very much!

Barbara has placed Snoop the 2 year old female...hooray! She still has Coby, the 5 year old neutered sable male.

BARBARA STILL HAS ONE RESCUE DOGGIE RIGHT NOW; A 6 YEAR OLD NEUTERED SABLE MALE -COBY . CALL BARBARA EDELBERG AT 942-4762 FOR ADDITIONAL INFORMATION. HE IS A WONDERFUL DOG AND WILL MAKE A FABULOUS COMPANION.

There will be two UKC Obedience Trials this coming May. The dates are May 25 and May 26, to be held at Willow Creek Dog Training Center. The judge is Enid Grossman (very enjoyable to show under and steward for).

For those of you who are unfamiliar with UKC Trials, let me share a bit with you: The obedience exercises are similar, but slightly more difficult than AKC/ASCA. Utility is a REAL challenge, and you've got to see it to believe how incredible the dogs are that can do this. UKC allows mixed-breed and purebred dogs, but they must be registered with UKC to participate. You can go to the The United Kennel Club, Inc. and download registration papers and entry forms, or contact me directly and I'll help you out.

I'll be sending you more information about cost and times, but now would be the time to send in your registration.

I hear that the title certificates are very beautiful, and the show environment is incredibly dog-obedience-friendly--plus, we always have a wonderful lunch, great trophies and ribbons, and excellent competition!
